The Municipal Council may be asked whether in addition it is willing to undertake a Sanitary Inspector. His question may also be asked upon his pay and the clerk to be supplied with his work. It may be pointed out that his position and Official dress cannot be compared to Dewanpai as his Local place has a large population and its resources are far greater. Under the circumstances his pay and his Head clerk at Dewanpai Municipal Council is 40-5/2-50 the Shemoga Municipality whose income is equal to, if not greater than Chitaldrug, pays its Head clerk 35-5/2-50. The pay of the Head clerk therefore does not exceed Rs 50 a month. As regards the Asst clerk, his pay and the Head clerk having been fixed at 40, his pay and the 2nd clerk will have the lower than that.

Enclosure No. 4

Sir,

In forwarding herewith in original letter No.472 dated 6/7th March 1924 with its 3 enclosures addressed direct to you from the President, town municipal council Chitaldrug re the revision of the pay of the office and other establishment of the municipal council, I have the honor to state that the office establishment consists at present of only 2 clerks instead of 3 as required for a 1st class municipality (vide G.O.No.60[illegible]-9/ML.27-17-1 dated 30th July 1917). The Bill Accountant is made to attend to the office work and also to the Collection of Octroi on piece goods in addition to his own.

Considering the high prices of foodstuffs prevailing in the market and other reasons stated in the memo received from the President with his letter under reference, theproposal of the municipal council to raise the pay of the existing staff as

Chitaldrug Municipality.

M E M O.

The Chitaldrug town municipality was formed into a first class municipality with effect from 1-7-1920 (vide G.O.No.L.718/Ml.7-19-49 dated 4-8-1921. As the work and the importance of the municipality increased its status was also increased but not the strength nor the status of the establishment working in the municipal office. The income of the municipality is steadily on the increase as may be seen from the particulars noted hereunders:- 1918-19 R$ 16,672-0-0, 1919-20 R$ 34479-0-0 1920-21 R$ 21624-0-0, 1921-22 R$ 25239-0-0, 1922-23 R$ 42743-0-0. The existing scale of establishment having been fixed so long back as in the year 1917 when the foodstuffs were cheap and plenty and the time is becoming harder and the prices of foodstuffs have risen abnormally high, it has been found very very difficult for the poor clerks to make both ends meet out of the small pittance they are now getting. This municipality is a District Head Quarter town municipality having the Deputy Commissioner as its President. When the clerks of the Davangere town municipality which is only a Sub Division Head Quarter municipality, are granted a suitable increase to their pay it is but reasonable to have the present scale correspondingly revised in this municipality also.

While revising the existing scale of establishment the following facts have to be considered:- The conservancy Daffedar who has been getting a pay of R$ 15 a month hasbeen now doing no other work than supervising the work of the conservancy staff. As no better work can be expected of him and as the Sanitary Inspector of the municipality who is heavily worked to a certain extent has to be relieved of some portion of his work, such as serving the notices &c., to enable him to pay better attention to more important portion of his legitimate work, the post of conservancy Daffedar may well be abolished and a Sanitary Maistry on R$ 20-1-25 may be appointed who will also attend to the supervising over the work of the conservancy staff.

Consequent on the abolition of a clerk on R$ 25 in the year 1921-22, Bill Accountant has been since then attending to the levy of octroi ty on piece goods and despatching work in addition to his own duties. Though the work of octroi duty is not such as to engage a whole time it cannot conveniently be tacked on to either the Bill Accountant other clerk in the municipal office wi department to his

timate work. As the work in the municipal office has of late considerably increased and as it is being found very difficult to maint the state of efficiency from the existing staff, it is necessary to h these two posts separated, the octroi clerk being in addition, entrusted with such of the office work as can conveniently be attended to by him, at leisure, without prejudice to his legitimate work such as record sorting, store charges &c.

For the foregoing reasons, it is proposed to revise the present scale of the establishment of the municipal office in the following manner:-

	Existing.	Proposed.	Average.
1 Head Clerk.	Rs 35/-	40-5-60.	40+15.
1 Deputy Clerk.	30/-	35-1-40.	35+3-12-0.
1 Bill Accountant.	25/-	30-1-35.	30+3-12-0.
1 Daffedar.	15/-	.....	.....
1 Sanitary Maistry.	..	20-1-25.	20+3-12-0.
	105/-		125 26- 4- 0.
			= 151-4-0.
		Net increase:-	Rs 46- 4- 0.

The revision now proposed results in the increase of Rs 46-4-0 per month, which is after all not a big sum. As there is a good prospect of getting a decent increase of revenue by the revision of house tax which work has already been taken on hand, there will not be any difficulty to provide funds for the same.

With reference to your letter No. C/ Genl. A 15-3-1924 recommending sanction to the resolution of the Chittagong Municipal Council for the revision of the Office and other Establishments, I am directed to request that

(a) The scale for the Manl. Sanitary may be fixed as noted in the margin and (b) as regards the Conservancy staff, it does not seem advisable to abolish the appointment of Daffadar as there must be some one to supervise the work of the Manl. Scavengers and other servants and to request the opinion of the Chittagong Municipal Council whether they are agreeable to (i) having their Manl. 2. In this connection I have the honour to point out that the position of Chief Clerk cannot be compared to that of Divisional Officer as the latter places has a larger population and its resources are far greater.
